

CELEBRATING  
*Christmas*

**It is Christmas time. The time of year where most of us can take a break and focus on family and loved ones. The time of year where we celebrate the birth of our Lord Jesus. The time of year where we often reflect on the year past and start looking at the year ahead. And what a year it has been. 2020 will definitely go down in history as one of the toughest years.**

We have all grappled with many feelings this year – from uncertainty and pain, fear and anxiety, to joy and love and deep thankfulness. It has been a challenging year to say the least, yet we have come through stronger in our faith and more assured of God’s ever-present love and provision in our lives.

Let us be thankful for the little things this Christmas – the call from a friend, the prayer support from our connect group, the chocolate someone blessed me with, the kind words of a stranger, the hug from my daughter, the sweet word of encouragement from my son, the peace of God in moments of trouble ... These are the true gems in life.

And finally, let us go into this season determined to shine our light to the world. Let us make ourselves available for the Lord to use us. Ephesians 2:10 says. “For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.”

We are honoured to serve in the Kingdom alongside you. Thank you for your love and support and for every act of service and care. May the Lord bless you.

With love and blessings,  
Pastors Dennis and Nicky & the Leadership Team

By Pastor Dennis

2020 is almost behind us. It has been a hard year during which some of us have lost loved ones, where some have lost work and where Covid-19 has washed over all of our lives in so many ways. We so appreciate each of you, your heart for God, your commitment to Every Nation West Coast and your love for one another.

We step into 2021 with a sense of excitement and a clear sense of God doing a new and incredible thing. Our year will start with our global **EVERY NATION PRAYER AND FASTING WEEK FROM 25-30 JANUARY**. Across the world, our Every Nation family will be praying and fasting. The theme for this time will be AWESOME GOD and our focus will be on reminding ourselves who our God is and what He wants to do through us in 2021. We will be praying every night of that week (more details to follow in January).

As I have been praying into what God is saying for 2021, the words EVERYBODY ALWAYS keep echoing through my heart. We will speak more about this, but my sense is that God is calling us as a congregation to focus on **LOVING** everybody, **GROWING** everybody and **REACHING** everybody and trusting God for a mighty **MOVE** of the Holy Spirit in our lives and in the lives of those we touch in 2021. We want those who join us at Every Nation West Coast to feel that they belong to a loving community, that we are growing together as a community of faith, being disciplined and discipling others, that we spend more time and focus on reaching out to others and that we do all of this not in our own strength but in the power of the Holy Spirit.

We will thus be placing renewed emphasis on making sure that people join a connect group, that our connect groups are growing, that we are being disciplined and that we are making disciples. We will also focus on growing and developing our volunteer and leadership teams so that people are equipped to minister and are challenged to practically walk this out in their lives. Let's trust God for a mighty move of God in 2021. For the KING and His Kingdom.
